

Charlie's OOSH are seeking experienced Early Childhood Educators to join our team at both Charlton and Maitland Campuses. The position will be for up to 20 hrs a week.

We are a Christian owned and operated business with a passion to serve children and families in our community.

Applicants will be required to work alongside the current Educational Leader to develop and implement our play-based program, support and connect with attending children and their families.

The applicants need to be passionate about the OOSH industry, have knowledge of children's development and a clear understanding of how to provide a safe environment for children 5 – 12years. The applicant must be able to communicate well and connect with children, work colleagues and families.

Key Responsibilities include:

- The ability to provide effective supervision along with engaging positive interactions with children.
- Build positive relationships with the children and use their interests and ideas within the program.
- The preparation and implementation of educational programs including Vacation Care, supporting and assisting Educators.
- Connecting and supporting families.
- Understanding and implementing WHS requirements.
- Be an active team member sharing shift responsibilities and be an effective communicator

Essential Criteria:

The successful candidates must have:

- Current Working with Children Check
- Hold a current First Aid, CPR, Anaphylaxis and Asthma Certificate (preferred)
- Proof of Child Protection training.
- Have a recognised qualification of at least Certificate IV or have 3 or more years' experience in a relevant field and demonstrate the ability to play, facilitate and engage with children.
- An understanding of My Time Our Place.
- An understanding of the National Quality Framework.
- Demonstrate different management styles when managing children.
- Assist in providing and facilitating an environment that is safe, interesting and appealing.

How to Apply:

- Generate a Cover Letter and include;
 - Why the position is attractive to you
 - How your experience and skills will enable you to undertake the different aspects of the position
 - Your current availability
- Email your Cover Letter alongside a **Resume** and any other supporting documentation to charlton@charliesoosh.nsw.edu.au
